**STRICTLY CONFIDENTIAL**

Request for Family Support

**The aim of family support is to offer guidance to local families. We recognise that sometimes people find it difficult to cope with issues which may include housing problems, such as arrears, relationships, worries about children, obtaining relevant monetary benefits and accessing support in their own communities.**

**Support can be carried out in the family's own home, neutral venue or at the Children's Centre.**

If you would like to request floating support please complete this form and we will be in touch with you as soon as we can.
