

## Daily Prayer Topics

**Monday:** Pray for families and children as they start another school and/or pre-school week, pray for these children to thrive in a safe and nurturing environment.

**Tuesday:** Pray for those caught up in crime and the criminal justice system, pray for PACT's "Alana House" which provides support and guidance for women with young children who might otherwise either be in prison or in danger of going to prison. Pray for all children who have been separated from their birth parents for whatever reason, that they may be placed quickly with the right and appropriate foster or adoptive parent to receive healing in their lives.

**Friday:** Pray for Jan Fishwick, Chief executive of PACT, for the senior managers and Trustees of PACT that they may have wise council in terms of the use of finance and distribution of care, and so offer good facilities for Children and parents in the areas of Adoption, Fostering and Community support.

**Saturday:** Pray for the many supporters of PACT, giving thanks for their prayers, finance and hours volunteered. Pray that more people and churches may contribute to the good of Parents and Children, and that PACT may be a helpful vehicle for this work.
