

PACT Pizza Party

PACT is launching its Pizza Party event this year as an easy and fun way for supporters to come together, enjoy some yummy food and raise some money for a great cause at the same time. Grab a slice of the action!

Your Pizza Party doesn't need to be large in numbers, you can make a big difference by hosting your own party and inviting your family, friends or maybe your neighbours or colleagues. The more the merrier.

We would like our supporters to host a Pizza party during October 2018, but if you'd prefer another time that's fine too! Organising a Pizza Party shouldn't be too complicated or require a lot of time, resources or money. See below von how to get started

What do I need to do as a host?

-  This Pizza Party fundraising pack from PACT contains all of the resources you should need for your party (except for ingredients!) It includes recipe ideas, pizza bunting to be coloured in or printed, a collection box to collect your donations and lots more. Please contact fundraising@pactcharity.org to receive an additional pack or further resources.
-  Invite your guests. It is up to you how much you would like to charge. How about a suggested donation of £5 per person which will directly help PACT to support local vulnerable families at times of need
-  Have fun creating your pizzas or if it's easier why not order in, bake or buy – you decide.
-  Enjoy your pizzas and the good company. Be sure to collect your guests' donations.
-  Once you have held your pizza party you can pay your donation to PACT via a cheque made payable to PACT and posted to Fundraising and Marketing Team, PACT, 7 Southern Court, South Street, Reading, Berkshire, RG1 4QS. Alternatively you can make a payment online at www.pactcharity.org/donate
