

MARATHON IN MAY

YOUR CHALLENGE YOUR WAY

INFORMATION PACK

Thank you for registering for Marathon in May! Here are all the details you need to complete the challenge.

Can I mix and match my activities to cover the distance?

Yes! This is a personal challenge and it's completely up to you how you complete the challenge, either by walking, running, cycling or a mixture of some or all of these.

Can I cover the miles with friends or family?

Yes! This challenge is open to all, including families with children, or groups of friends or colleagues who want to complete the challenge together as a team. If you are taking part in a team, you can choose to share the mileage between you and work together, or get competitive and see who can go the furthest!

How do I track my miles?

If you have a smart watch or wearable pedometer, this can be a great way to track your distance when you are out and about. Alternatively, there are lots of apps that are free to download which can track your miles such as [Strava](#), [Pacer](#), [FitBit](#), [GoogleFit](#) or [MapMyWalk](#) / [MapMyRun](#) and many smartphones come with a built-in health app. Strava integrates with our fundraising platform Enthuse, so any activities you add in the Strava app during May will be added to your page.

How do I add up my miles over the month?

You can add your miles to your Enthuse fundraising page; a link to your page can be found in your welcome email. To add your miles, click 'Add an activity' and enter the details of your activity. You will see your total miles at the top of your Enthuse page. If you are using Strava, any activities you record during the month of May will automatically be added to your Enthuse page.

If you would prefer to track your miles on a printed chart, you can download charts [here on our website](#) including a fun colour-by-mile chart for children (and adults!).

MARATHON IN MAY

YOUR CHALLENGE YOUR WAY

If I am in a group or team, how do we track our miles?

If you registered as part of a team, each team member will have their own fundraising page where they can add their miles as explained above. You will also have a team page where you will be able to see everyone's activities and your total combined miles.

Where does my money go?

All the proceeds from your registration fee and any extra donations will be used to support PACT's work building and strengthening families.

Do I have to fundraise?

No. You are already helping our work by registering to take part. However, if you would like to further support our work by getting sponsored to complete your Marathon in May challenge, that would be fantastic. All you need to do is share your Enthuse page with friends and family to ask for donations.

Do I need to prove that I have completed the challenge?

No, we will send medals and certificates at the end of the challenge to everyone who has registered (excluding anyone who opted out when they signed up). However, we would love to see how you are completing your challenge on social media and we encourage you to share your successes with us!

Our top tips for completing the challenge

- ⇒ **Get set, go!** – Don't delay, get going as soon as you can on or after 1st May
- ⇒ **Break down the distance** – Why not aim for one mile a day, or plan in a 6.5-mile walk, run or cycle ride every weekend in the month? Don't forget you can complete the distance as a family or team to make it more manageable.
- ⇒ **Track your miles** – Remember to log your miles as you go, and don't forget to take your phone or pedometer with you when you go out.
- ⇒ **Share your progress** – Let us know how you're doing and share your tips, photos and progress on your Enthuse page or on social media - and don't forget to tag us **@PACTcharity** so we can see what you're up to!
- ⇒ **Celebrate your success** – And wear your medal with pride!

YOUR CHALLENGE YOUR WAY

HOW YOUR SUPPORT MAKES A DIFFERENCE

What does PACT do?

We are an independent adoption charity and family support provider helping hundreds of people each year through outstanding adoption services, specialist therapeutic support and inspirational community projects. In 2021 we...

- placed **64** children with **46** adoptive families
- helped **70** families through our Adopter Champions service
- ran group activity sessions for **72** adopted children
- provided online support to **3,400** adopters, special guardians, foster carers, education professionals and social workers through The Adopter Hub, our online support platform
- supported **115** women through Alana House, our women's community project
- supported **83** children and **72** parents through Bounce Back 4 Kids, our domestic abuse recovery programme

All proceeds from Marathon in May will help us to continue to provide these vital services, so thank you for taking part.

How can I raise money for PACT?

You can choose to further support PACT's work by sharing your fundraising page with friends and family and asking them to sponsor you through the challenge. Any additional amount raised in this way would be hugely appreciated.

YOUR CHALLENGE YOUR WAY

How can I support PACT after the challenge is finished?

A great way to support PACT all year round is to become a Friend of PACT and set up a regular donation. Making a regular donation, big or small, makes a huge difference by providing us with a reliable source of income which helps us plan more effectively. Friends of PACT receive a welcome pack and exclusive communications about the impact of their support. To become a Friend of PACT, [use this link](#) and choose how much you would like to give.

What could my donation buy?

To give you an idea of how your donations can support vulnerable children, women and families, here are some examples of what your donation can buy:

- ⇒ **£15** could pay for a woman who has recently moved into independent living to attend an Alana House course to develop confidence and learn about topics such as housing, budgeting and community connections.
- ⇒ **£30** could pay for a peer support session for a family with an adopted child suffering from anxiety, delivered by a trained Adopter Champion.
- ⇒ **£50** could pay for a child who has witnessed or been affected by domestic abuse to attend a Bounce Back 4 Kids play therapy session to help them manage their feelings and break the cycle of domestic abuse.
- ⇒ **£100** could pay for an adoptive family to receive a specialist, trauma-informed therapy session to help an adoptive child build trust and attachment.

For more information about the challenge or how you can fundraise for us, get in touch with our team at fundraising@pactcharity.org
