Parents And Children Together

Who are we raising money for?

PACT helps hundreds of families every year through outstanding adoption services, specialist therapeutic support and inspirational community projects across the South of England and London. In 2021-22 PACT found forever permanent, loving families for 78 children.

PACT's community projects include the Alana House Women's Community Project, which uses a trauma-informed approach to support women facing multiple disadvantages, and Bounce Back For Kids, a support programme for children who have been affected by or witnessed domestic abuse.
